**Pacific Rim Sculptors (PRS)** is a non-profit organization originating in the mid 1980s in the San Francisco Bay Area of California. PRS is a chapter of the International Sculpture Center (publisher of *Sculpture* magazine, [www.sculpture.org](http://www.sculpture.org)). PRS welcomes new members from the USA and other Pacific Rim Nations.

## PACIFIC RIM SCULPTORS MISSION & MEMBER BENEFITS

- Promote artistic excellence with juried exhibitions
- Provide opportunities and resources for members with workshops, studio visits, social events, website, & newsletter
- Foster development of young artists with student memberships
- Increase public awareness and appreciation of sculpture as an important art form with public events & exhibitions
